Time	MONDAY	Room	TUESDAY	Room	WEDNESDAY	Room	THURSDAY	Room	FRIDAY	Room
8 - 10					143331 Matthias Kortmann Qualitative Methodology for Political Scientists					
10 - 12			143321 / 143108a Christoph Schuck Introduction to International Relations							
12 - 14							143313 Matthias Frey- Konrad Good Scientific Practice and Academic Writing			
14 - 16	<i>Language Class Deutsch A1 Political Conflict Studies– module L-a</i>				143315 Jan Krawiec Tutorial Fundamentals of Political Science				<i>Language Class Deutsch A1 Political Conflict Studies– module L-a</i>	
16 - 18			143314 / 149014 Christoph Schuck Lecture: Fundamentals of Political Science							

On the language class(es): Please note that module L-a must be taken by all PCS students who have no German language proficiency yet. Everyone who already has some level of German language proficiency should take module L-b. You will have to identify and register yourself for the language classes and writing labs. [Please note the information in the PCS-FAQ](#) on the website which also links you to the relevant webpages by the language center. The German A1 class registration will be possible between September 25 and October 8. If open spots remain, you might be able to register after that.

All weekly classes will begin in the week of October 19, the second week of the lecture period. Registration through LSF for Political Science classes will be possible during orientation week (October 6 to 8) and welcome week (October 12 to 16).
